

How to maximize your property Value ?

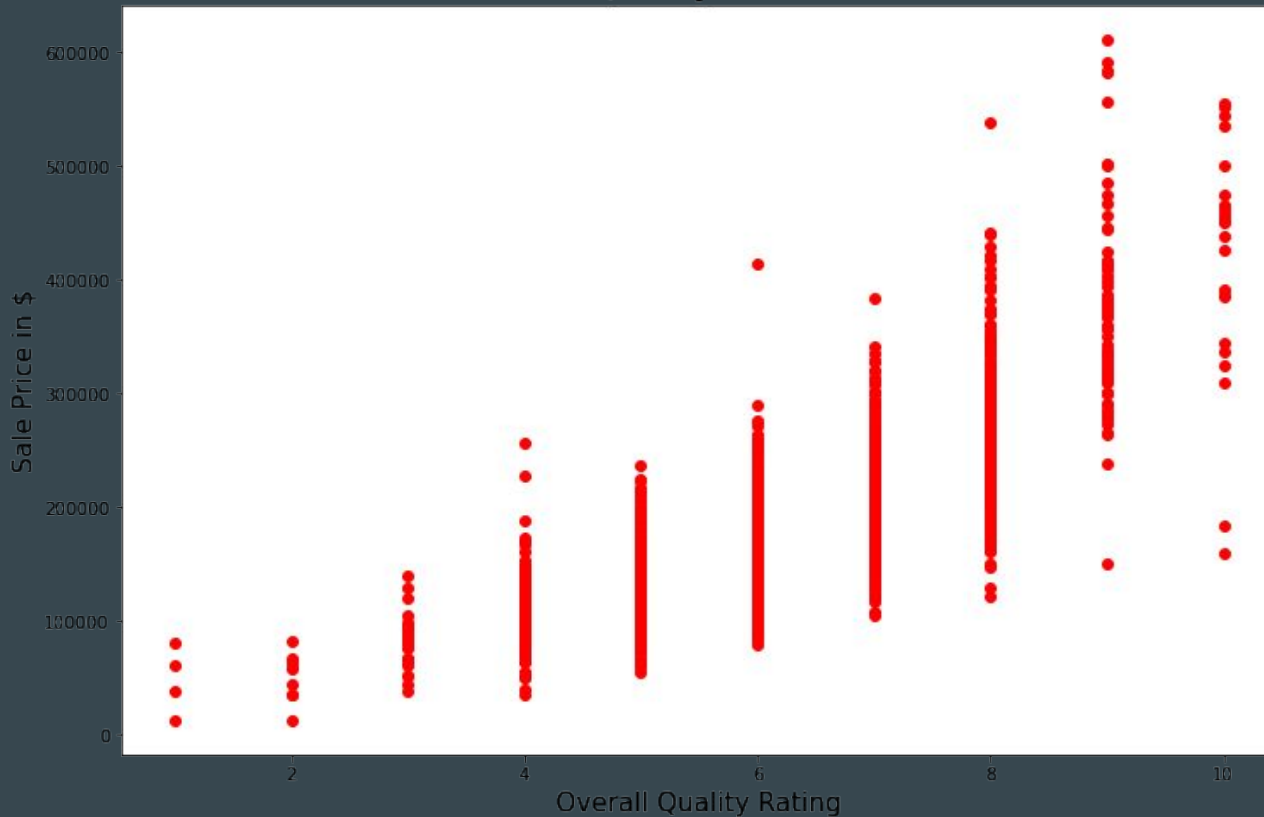

...

Johann Baydeer

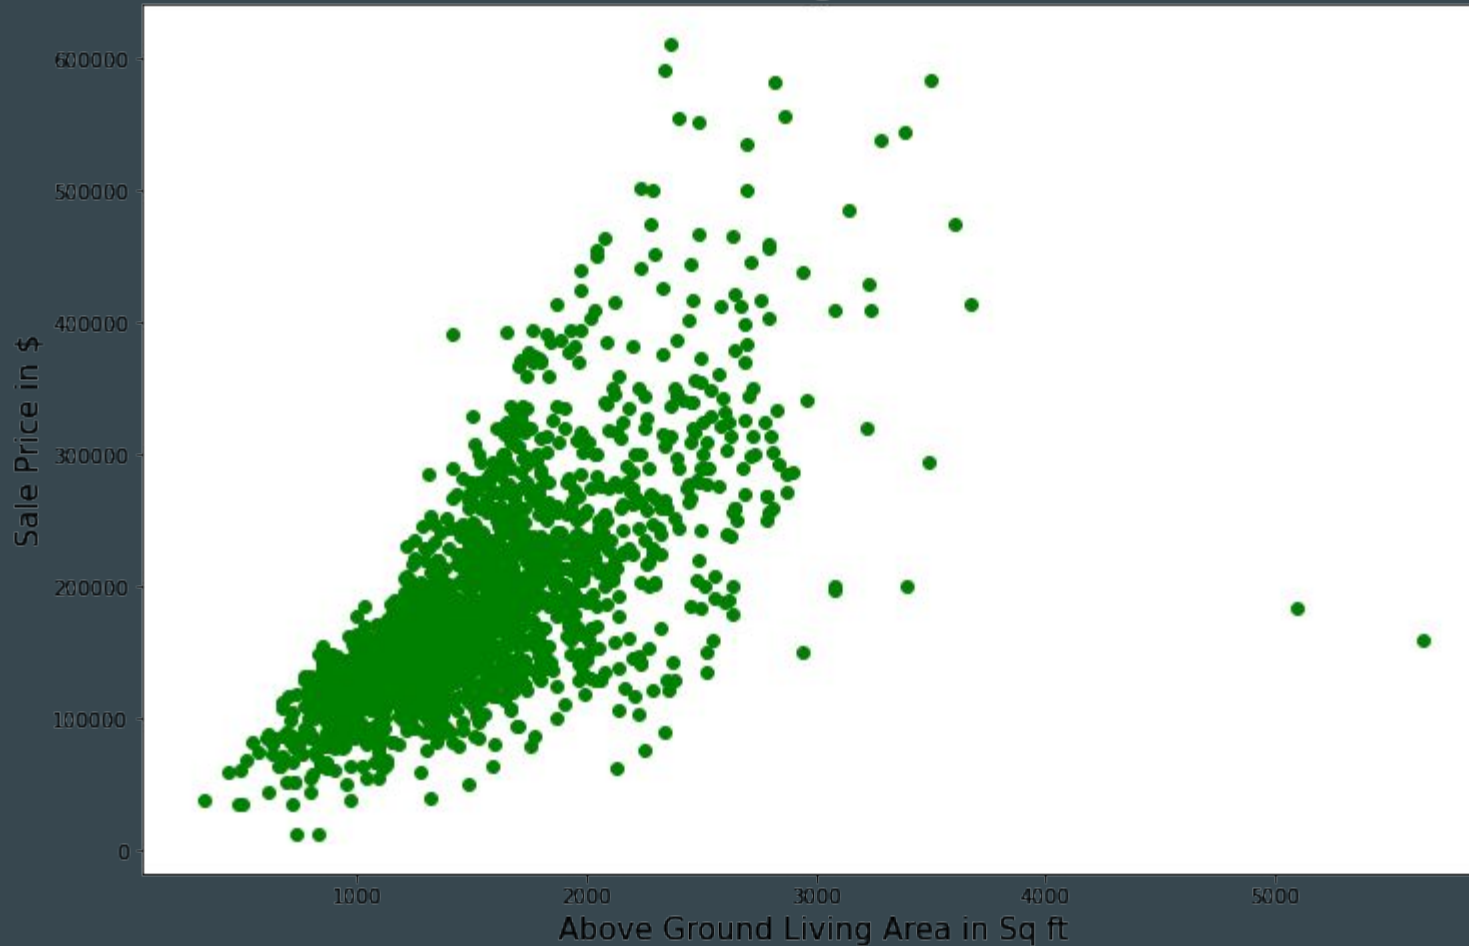

Most houses are between 100,000 and 200,000 and very few above a certain price

Overall Quality vs Sale Price

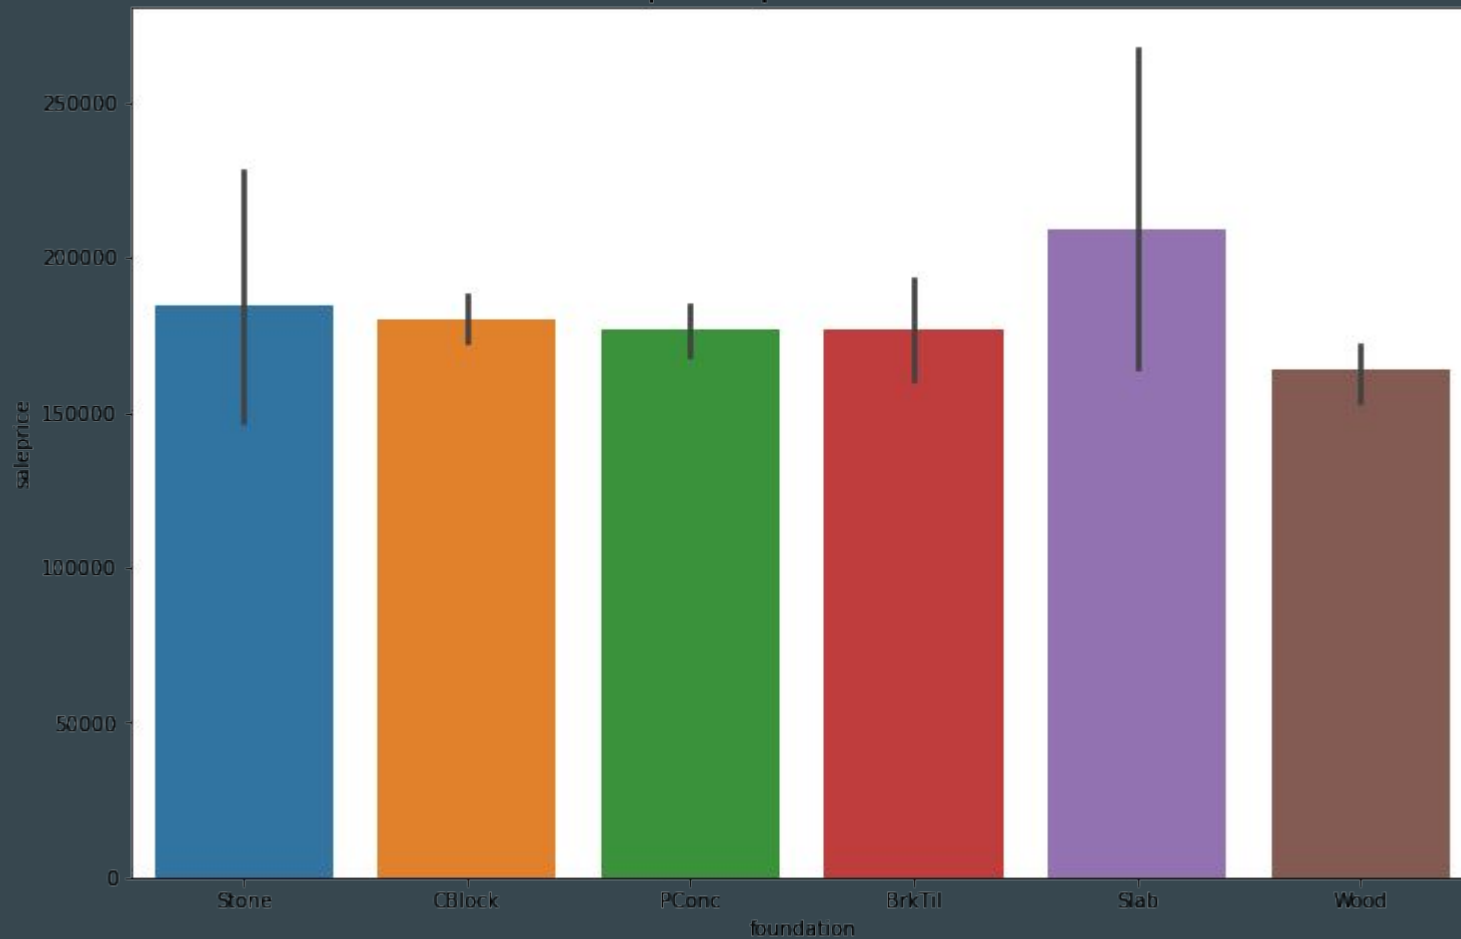

The strongest factor in sale price is the overall quality - Renovations

Above Ground Living Area vs Sale Price

Sale price per foundation

Conclusion

- . The overall quality is the most influential factor
- . Sometimes extra features don't add a lot
- . Fix what you can and renovate !
